**SUMMARY OF INCIDENT:**

On 21 Mar 07 at 1731 hours, Officers A and B were driving north on Francisco when they first saw Subject 1. As they approached Devon Avenue, they observed Subject 1 standing outside a liquor store, which is on the southwest corner of the intersection of Francisco and Devon. The officers observed Subject 1 concealing an unidentified object in his waist band. When Subject 1 saw the two officers he entered the liquor store. Officer A, the driver, parked the squad car in front of the liquor store, and then he and Probationary Police Officer ("PPO") Officer B exited the squad and entered the liquor store. Moments later, the officers exited the liquor store with Subject 1 in their custody and ordered Subject 1 to place his hands on the wall of the liquor store. Subject 1 struggled with officers but did place his hands on the wall. As Officer B conducted the protective pat down, Subject 1 pushed off the wall and attempted to flee. A physical struggle ensued between the officers and Subject 1. Officer B placed his arms around Subject 1 in an attempt to gain control of Subject 1, at which time Subject 1 produced a handgun and pointed it at Officer A. Officer A drew his weapon and yelled "Gun!" several times. Officer B released Subject 1 and moved back and away from Subject 1. Subject 1 disregarded Officer A's commands and continued to point the weapon at Officer A while walking backwards toward the northeast corner of Francisco and Devon. Officer A discharged his weapon two to three times and took cover near a parked vehicle on Francisco Avenue. Subject 1 turned and faced Officer A, again pointing his weapon at him. Officer A and Officer B discharged their weapons at Subject 1 striking him about the body and fatally wounding him.

Witness 1 related to the Roundtable panel an account that was consistent with the Summary of Incident. In addition, Witness 1 stated that he was walking west on the north side of the Devon Avenue and observed a squad car parked on the southwest corner of the intersection of Devon Avenue and Francisco Street, in front of a liquor store. Witness 1 stated he observed a male subject walk into the liquor store followed by two male police officers. Witness 1 stated that approximately five seconds later, the two officers escorted the male subject out of the liquor store and instructed that individual to “get on the car.” The male subject, however, began struggling with the two officers by pushing them and attempting to flee. During the struggle the male subject displayed a “Black .45” gun and pointed it towards the officers. Fearing that he may be shot, Witness 1 ran north on Francisco Street. Witness 1 stated he heard six to seven gunshots but did not know who fired them. Witness 1 stated he turned around and saw the male subject lying on the ground. Witness 1 stated that he was approximately 20-30 feet away from the officers and the male subject prior to running.

Witness 2 related to the Roundtable panel an account that was consistent with the Summary of Incident, Witness 2 stated that at the time of the incident, she was in the backseat of a friends’ vehicle that was traveling east on Devon Avenue. Witness 2 stated she observed a police officer and an unidentified male subject engaged in a struggle on Francisco Street; the officer was holding the subject in a “bear hug.” As the officer and subject were struggling, the subject was holding a handgun in the air. vehicle Witness 2 was in continued driving east on Devon Avenue and when they stopped at the intersection of Devon Avenue and Mozart Street, Witness 2 heard several gunshots. The driver of the vehicle then turned south on Mozart Street and drove back to Francisco Street. When they arrived at the corner of Francisco and Devon, Witness 2 observed a police officer standing over the male subject and pointing a gun at him. Witness 2 did not observe either the officer or the male subject discharge a weapon.

Witness 3 observed a male subject lying on the ground at the southeast corner of the intersection of Francisco Street and Devon Avenue. Witness 3 put her glasses on and observed a police officer standing over the male subject who tried twice to stand on his feet. Witness 3 observed the officer kick a gun to the side of the male subject.

and Francisco. Subject 1 was talking on a cellular phone and “fiddling” with the waistband of his pants. When Subject 1 saw the officers he started walking into the liquor store. Officer A instructed Subject 1 to walk to their squad car but Subject 1 ignored Officer A and walked inside the liquor store. Officer B stated he and Officer A entered the liquor store and observed Subject 1 standing near the register and escorted Subject 1 out of the store. Once outside of the liquor store Subject 1 appeared nervous and was fidgeting. Officer A instructed Subject 1 to place his hands on the building. Subject 1 initially complied with Officer A’s instructions but when Officer B began a “patdown” of Subject 1, he pushed himself away from the building and attempted to flee. Officer B grabbed Subject 1 in a “bear hug” in an attempt to stop him from fleeing. Officer A then yelled, “Gun! Gun! Gun!” Officer B observed Subject 1 pointing a gun at Officer A. Officer B released his grip and retreated as he pulled his firearm. Officer A then discharged his firearm several times and Officer B aimed his weapon at Subject 1 and fired four times. Subject 1 fell to the ground and Officer A approached Subject 1 and kicked Subject 1’s gun away. Officer B stated that he did not see where Subject 1 pulled his weapon from.

Officer A related to the Roundtable panel an account that was consistent with the Summary of Incident. Officer A stated that as Officer B was conducting a patdown, Subject 1 pushed his hands off of the wall. Officer A stated that at that time, Subject 1 pulled a handgun from his waistband. Officer A yelled, “Gun! Gun! Gun!” and ordered Subject 1 to drop the weapon. Officer B released Subject 1 and withdrew his weapon and pointed it at Subject 1. Subject 1 continued waving the gun in the air and then pointed it at Officer A. In response, Officer A fired his gun two times at Subject 1 while retreating backwards to take cover behind a vehicle parked on the east side of Francisco Street. Officer A stated that as he was retreating, he observed Officer B standing in the middle of Francisco and shooting at Subject 1. Officer A stated that Subject 1 fell to the ground in a “push-up” position but was still holding his gun. Officer A again fired at Subject 1 before Subject 1 collapsed to the ground. Officer A stated he then approached Subject 1 and kicked the gun away from him.

In a statement to the IPRA on 12 May 09 a Chicago Police Department detective stated she was off-duty and driving east on Devon Avenue with two teenagers, whose names she no longer recalls. The detective was taking them on a tour of Chicago and as they drove east on Devon, the detective observed a squad car but did not pay much attention to it. Both teens stated, “He’s got a gun!” The detective thought they were possibly referring to the officers and still did not look in that direction. Immediately after, the detective [heard] gunshots and pulled her vehicle over while telling the teens to duck down. She clarified with the teens about who had a gun and they stated that a man who was not wearing a shirt had a gun and was fighting with the police officers. The detective returned to the scene to see if she could be of any assistance and observed the offender lying on the ground. The offender was still alive, trying to raise his head, and the two officers told him to stay on the ground. The detective offered assistance but was told to stay back. The detective did not observe anyone firing a weapon and did not observe the officers physically strike the offender at any time.

The report from a Chicago Police Department Acting Assistant Deputy Superintendent included an account of the incident that is consistent with the Summary of Incident.

**CONCLUSION AND FINDING:**

This investigation found that the use of deadly force by Officers A and B was in compliance with Department policy and state statutes. According to the Chicago Police Department's General Order No. 02-08-03, III. *Department Policy*:

- A. "a sworn member is justified in using force likely to cause death or great bodily harm only when he or she reasonably believes that such force is necessary:
  - 1. to prevent death or great bodily harm to the sworn member or to another person, or;
  - 2. to prevent an arrest from being defeated by resistance or escape and the sworn member reasonably believes that the person to be arrested:
    - a. has committed or has attempted to commit a forcible felony which involved the infliction, threatened infliction, or threatened use of physical force likely to cause death or great bodily harm or;
    - b. is attempting to escape by use of a deadly weapon or;
    - c. otherwise indicates that he or she will endanger human life or inflict great bodily harm unless arrested without delay."

When Officers A and B began searching Subject 1 he attempted to flee from the officers, pulled a weapon from his waistband and aimed the weapon in the direction of Officer A. When they fired, the officers reasonably believed that they were in danger of death or great bodily harm from Subject 1. Subject 1 ignored the officer's verbal commands and was attempting to escape by means of a deadly weapon.
